Dear Ms Ashby

I am contacting you further to the refusal of this application on the 20th December 2018 which has since resulted in no further enforcement action following your notification that the trellis fencing has now been removed.

However, the decision notice that you received and is currently on the website is incorrectly worded as a permission when in fact it was to refuse. So as to clear this error I attach a copy of a correctly worded notice which is hereby provided for your records. It will also be used to replace that which is currently showing on the website.

Please accept my apologies for any confusion/inconvenience that this may have caused and I thank you for your cooperation on this matter.

Regards
