Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 -
Article 6

Application for Reserved Matters following outline permission LU/47/11 for 46 dwellings
- this application may affect the setting of a Listed Building - This is a re-submission of
LU/379/18/RES

Parcel A2/B6 Hampton Park Toddington Lane Littlehampton

Thank you for your internet representation made on 25th November 2019 which has been
recorded as '**an objection**' with the comments as follows:

Sustainable transport
NPPF Sec 9, WSCC Walking and Cycling strategy and WSCC Cycle design guide

*The application lacks sufficient detail on how it will support Sustainable transport. Clear
links to existing cycling routes need to be planned. Routes need to allow resident's access
to Schools, local shops and transport hubs.*

*To encourage residents to use cycles the roads, houses and gardens need to be planned
in such way that storage and easy access to cycles is the norm. Cycle storage at the back
of the garden is not acceptable or user friendly*

Unfortunately it is not possible for the council to respond to each representation individually but
your views will be considered before the application is determined and I shall write to inform you of
any decision made.

If the application is to be determined at the Development Control Committee and your letter has
been received after the agenda has been published, you will not receive a separate letter notifying
you of the date of the meeting and the procedures for public speaking. In such circumstances, it is
recommended that you track the progress of the application on the website or telephone for further
information. Please be advised that any comments received after the the Development Control
Agenda has been produced will be reported to the meeting. Please also note that only a small
number of all planning applications are determined at the Development Control Committee, most
are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only
include information that you are happy for the public to view. Do not include personal information or
information from third parties unless you have their permission to do so. If a complaint is received
that permission has not been given for comments included about a third party, the Council reserves
the right to redact/remove all relevant information. Do not include information that is defamatory or
breaches equality or other legislation. If you do not wish your comments to appear on the website
and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this
does mean that its contents will be disregarded. For details of what we do with your personal
information please refer to our privacy statement comments on planning applications which is
available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
