Dear Mr Eastman

Thank you for your consultation of 18 November 2019 regarding the planning application referenced above.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. We will therefore be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN.

We do not offer any objections to this reserved matters application.

If you have any queries regarding this response, please contact us at

Kind regards,

Elizabeth Cleaver, Assistant Spatial Planning Manager
