

Please upload the email below and the attached additional plan from the applicant onto Ocella for LU/305/19/RES.

Thanks,

Michael

Hi Michael,

As previously discussed, we have created a plan and illustrative section through the plots in question (plots 9 & 10) within our site in relation to the adjacent existing properties of no.s 19 & 20.

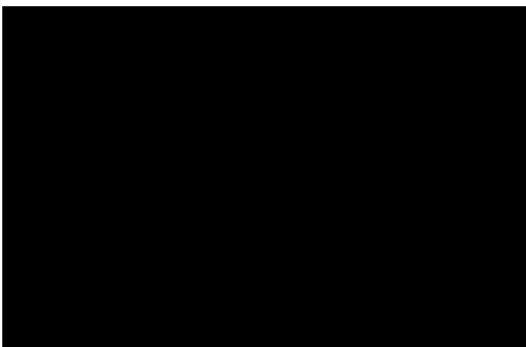

This highlights the fact that we will not be raising the levels within our ownership (our site) – these levels will remain as they currently are – this just shows the relationship and heights of the current exiting levels and how we aim to construct the retaining wall section within our ownership and will therefore have no impact in regards to foundations of the retaining wall section.

I trust that this is enough information to satisfy the concerns raised in the objection letters.

Merry Christmas and a very Happy New Year to you and yours.

Kind regards,

Amanda Tinwell
Principal Layout Designer
