

1st November 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of promenade shelter & construction of cafe & kite surfing school with roof terrace & associated works

Promenade Shelter Sea Road Littlehampton

Thank you for your internet representation made on 31st October 2017 which has been recorded as '**an objection**' with the comments as follows:

Firstly as Much as I am in favour of the removal of the current shelter and something new and iconic being put or built in its place I am objecting to the application for the reasons of that the new building that is proposed is boring , bland and aesthetically boring to the eye . If it is supposed to be a wind surfing shop / kite surfing at least design the building to replicate such an item . I am also concerned about the amount of hurdles that the disabled are going to deal with to gain access to the toilet according to the floor plan surely this can be addressed to make it easier . I am also asking is there disabled access to the 1st Floor viewing area as I cannot see this on the plan . I see steps but no wheel Chair access , The disabled have just the same rights to be able to access a viewing area as a able bodied person so why no access ?

kind regards
Cllr Ian Buckland

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
