Dear Ms Gardner

I am writing an email of support of the development of the old shelter on Littlehampton seafront, which Mr Hawkins plans to turn into a watersports school and cafe/restaurant.

As it is currently being used by 'wayward' locals who litter and urinate in there, any such development should be encouraged.

I feel that it will compliment the refurb that has happened at the river end of the town and will provide a perfect stop off point for all those walking between Littlehampton and East Preston.

Our beach has won awards in the past and adding a stylish facility such as that proposed can only draw more tourists to the area.

Regards,
Kate Monk
