Hi Anita,

I'd like to comment on and whole heartedly support the proposed Watersport's centre and cafe planned for Littlehampton seafront.

As a local parent I think this is a fantastic opportunity for our children and schools to benefit from a great facility on the Littlehampton seafront.

It could produce future world champions like Mr Hawkins, however far more importantly the club will offer lots of local children and adults opportunities to learn a range of fantastic water sports in our amazing natural seafront environment.

The cafe will also provide employment and bring lots of visitors to the Arun area which can only be great for local businesses and tourism throughout the year.

After the sad demise of East Preston dinghy club, this is a great chance to reinvigorate our ailing seafront in Littlehampton with a variety healthy sports for all ages and abilities in a controlled club environment.

I fully support the above noted planning application and urge the Arun council to back this application.

Mike Geary
