Dear Anita,

Promenade Shelter, Littlehampton - LA Ref: LU/307/17/PL

Further to my email of yesterday I attach the amended plans for the café and kite surf school as discussed. The revised plans show the finished floor levels of the café at 5.360m AOD and include a new access ramp to the external deck, addressing the concerns regarding access for all, which results in a slight amendment to the elevation in terms of balustrading.

Should you have any queries please contact me.

Kind regards,
Natalie
