Dear Natalie,

The application is due to be considered at the Development Control Committee on 13-12-2017 and I would therefore appreciate your agreement to an extension of time until 15-12-2017 to cover this.

I am also aware that there have been some discussion regarding the requirement for lift provision to the upper floor and would advise that if the plans are to be altered to accommodate this I would require receipt before midday on 11-12-2017 to ensure they can be included in a report update.

Regards

Anita Gardner
