Morning Zac

Apologies for any confusion, yes if possible could we please look at changing the scheme to the internally illuminated option sent over 15/10/19. This was requested by our client further to the original application.

Is there also any chance you could give me an idea on out of the two options which looks to be more suitable in terms of final approval from yourselves taking into account existing signage, as I will need to finalise drawings with the client and let them know how we must proceed with the style of displayed advertisement.

Many thanks in advance!

Kind Regards

James

Dear Mr Stringer,

I was unaware you would be coming in with plans to change the proposal to be internally illuminated. I was under the impression the description would be changed, and the scheme would proceed as externally illuminated. This was re-advertised as such this week.

Would you like to change the scheme to that of an internally illuminated sign?

Regards,

Zac

Morning

Further to my phone call with Zac Denton yesterday (14/10/19) in regards to our application – Ref: LU/307/19/A, I have attached revised drawings for your consideration as opposed to the originally submitted externally illuminated fascia signage.

I hope the attached matches with your approval. Any questions or queries with the following, please let me know.

Many thanks in advance!

Kind Regards
