Dear Ms Eggington

Your ref: LU/308/18/L

Argyll House, 1 River Road, Littlehampton, West Sussex BN17 5BN

With regard to the above property, please find attached amended documents as required.

1. Revised site plan with garden marked in red.
2. Boundary site plan.
3. Boundary measurements plan.
4. Front elevation to show position of basement door.
5. Revised statement.

I believe you have had a conversation with Martyn White, Conservation Officer at Arun District Council, about adding on retrospective consent for tanking in the basement kitchen area. Can this be done please.

Kind regards

Melissa Chadderton
