Subject: Objection to balcony extension

I am a regular visitor to LH. Where I stay with a friend in Mariners Quay. I was shocked to hear a planning application has been submitted ref LU/349//20/HH where the front on the rivers edge is going to be changed. Having had sight of the plan the extension of balcony as shown is incorrect.

I enjoy my walks along and have noticed its conservation area. I feel strongly about the preservation of the conservation areas. I do not think councils should allow additions that spoil the said areas. It is very obvious that it does.

As a frequent visitor to Littlehampton please take note of my objections.

Yours Faithfully

Patrick Hart.
