Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: LU/30/22/PL  
Site Address: 32 & 33 Mariners Quay River Road Littlehampton BN17 5DA  
Description of works: Extension of first floor rear balconies at 32 & 33 Mariners Quay (resubmission of LU/349/20/HH). This application affects the character & appearance of the Littlehampton, River Road Conservation Area and is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 6th March 2022 which has been recorded as an objection with the comments as follows:

OWPC44933

From Tony and Kathy Bladon 34 Mariners Quay Littlehampton BN17 5DA Owners

We reside at the above address full time and were saddened to learn yet again of the above proposal. Which we object to.

The above planning permission if forthcoming would mean we would have to have our curtains closed all day and night as the planned extension to number 33 would allow the occupants to be able to see straight into our lounge which is our only living room.

Putting up a glass and wooden extension between the two properties would affect the light penetration.

Noise from the added side when filled with that many more people would also cause a nuisance.

The accolades afforded to this small stretch of the river walk on completion 18 years ago would stand for nothing.

Our other concern is if planning permission is granted then the ground floor under the balcony could give way to say a conservatory being constructed thus encroaching further into the garden.

Your views as made above will be considered before the application is determined.
