Dear Mrs Fastnedge,

In respect of the above application, condition 3 of planning permission LU/19/17/PL states:
'No development above damp proof course (DPC) level shall take place unless and until a schedule of materials and finishes to be used for external walls and roofs of the proposed building have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the building.'

I note that the roofing felt and exterior paint colour have been submitted i.e. details of the finishes, but I would appreciate confirmation of the materials. Are these to be wood?

Regards

Anita Gardner
