Anita,

Regarding the Staff parking and Cycle racks. We have limited space on this site, but staff can use the delivery bay area for parking when not in use. With the site being situated on the busy A259 we feel cycle racks would not be used sufficiently to justify them.

Dear David,

I have started looking through this application and it is apparent that the environmental health officer's comments are still outstanding. I have sent a chase up e-mail, but doubt that I will receive a response before the end of the year. I am therefore requesting your agreement to an extension of time on the application until 16-01-2018. Please can you confirm your agreement by return?

In addition County Highways have asked for confirmation of the following:

- Will any dedicated staff parking be provided?
- Will bicycle parking be included?

Regards

Anita Gardner
