Subject: RE: LU/315/18/A - Signage at Shell Eastfield, Littlehampton

Dear Anita,

The description should read:

"2 No. shop wall mounted signs on side elevations (lettering illuminated) & 1 No. shop fascia sign on front elevation (lettering illuminated)."

The wording "shop wall mounted sign" on the form is not an extra sign but is a description of (other sign 1) of which there are two as above.

I trust that clarifies it.

Subject: LU/315/18/A - Signage at Shell Eastfield, Littlehampton

Dear David,

I have started looking at this application and it appears that the description is incorrect. It reads:

'2 No. internally illuminated fascia signs on side elevations & 1 No. internally illuminated shop wall mounted sign on front elevation.'

As far as I can see the proposal is for a fascia sign and 2 shop wall mounted signs with internally illuminated lettering, but there is another shop wall sign referred to on the forms which is wall mounted and non-illuminated. I would appreciate your clarification and a suggested amended description.

Regards

Anita Gardner
