Amy

We confirm our agreement to the requested EOT until the 7th January. We also accept your stated conditions regarding Kitchenettes.

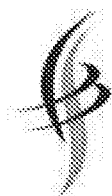

As to the confusion on the note regarding 'Lounge/Kitchen' to Bedrooms 1 and 5", please can you tell me where you see this note as we cannot find it on the drawings? We will move the en-suite wall to Unit 4 and issue the revised

drawings to suit but would like to just issue the revised drawings once so if you could help with the Kitchen use note we would appreciate it.

Also, there is no door shown on the proposed elevations accessing Unit 4, what is shown on the drawing is the dashed outline of the existing garage (with door and wall profile shown dashed), the window old and new are in the same position visually.

Regards

Mr Jo Funnell – Director
