

Please add e-mail and plan to application

Hi Anita

The proposed post and rail fencing will be 1.2 meter high sawn timber, three rail fence with mesh stockproofing. Please see the attached elevational drawing.

Please let me know if you require anything further to discharge this condition.

Kind regards,

Hi Katie,

Please can you provide the additional clarification requested in my e-mail below by the end of the week?

Thanks

Anita

Hi Katie,

Thank you for the clarification. Can you also advise how high the proposed post and rail fencing will be and let me have an elevation please ?

Regards

Anita

Dear Anita

There was an existing wire mesh fence on-site however this will be removed during construction.

I hope this clarifies but do not hesitate to contact me if you require anything further.

Kind regards,

Dear Katie,

I have received the above application today and have taken a quick look at the plans. I note that drawing Sheet 3 of 3 M637/14.003 rev C3 has a note on the far right of the plan referring to 1.8m mesh fence, but I can't find it cross referenced in the key and don't know what section of boundary treatment it refers to. Please can you clarify?

Regards

Anita Gardner
