Dear Mr Thompson,

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed Building Consent for Alterations, Extension or Demolition of a Listed Building

Development: It is proposed to replace the existing timber single glazed windows for timber double glazed units. Where possible the existing window frames will be retained and just the glazing upgraded to double glazing. Where the condition of the timber frames has deteriorated, the design of the proposed windows will be bespoke to ensure aesthetically they are replaced on a like for like basis. Localised areas of the stone lintels are defective, it is proposed to carry out repair works, again the finish of these repairs will be sympathetic to the buildings character and only compatible materials will be used.

Location: Flintstone Centre East Street Littlehampton BN17 6AW
