Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Alterations to golf practice ground & surrounding land, including tees (incorporating importation of material).

Littlehampton Golf Club Rope Walk Littlehampton

Thank you for your internet representation made on 6th November 2017 which has been recorded as '**an objection**' with the comments as follows:

I feel very strongly regarding the proposed number of vehicles up and down Rope Walk as well as along Ferry Road. These roads are not built for this type of vehicle. Rope Walk is in a very bad state of disrepair and the number of vehicles up and down the road over several months is not acceptable. Do you ever consider the residents of Rope Walk at all? There are several businesses in Rope Walk and there is already much traffic to Golf Club, and Yacht Club. I feel if this application goes ahead there will be absolute chaos on both Ferry Road and also Rope Walk not to mention the noise we, the residents will have to put up with during this period.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
