Subject: RE: LU/320/17/PL - Alterations to practice ground at Littlehampton Golf Club

Hi,

Please find my comments below for the application, thanks

Liz

App No: LU/320/17/PL

Address: Littlehampton Golf Club Rope Walk Littlehampton BN17 5DL

Proposal: Alterations to golf practice ground and surrounding land including tees

Reptiles

Following receipt of the Reptile Survey – Population Assessment (July 2017) we are satisfied that reptiles are not currently on the site. Due to the presence of sand lizards within close proximity to the site, reasonable avoidance measures have been proposed which are included within section 4 of the report. We are satisfied with this precautionary measure and for this to be conditioned.

Kind Regards

Liz

Dear Liz,
Please find attached reptile survey.
Can I have your revised comments please?
Thanks
Anita

Dear Mrs Gardner

I write with reference to the above planning application which is currently being considered by your Authority.

I have noted the feedback of consultees, including from Liz Rogers, the Environment Officer at Chichester DC. She has requested the undertaking of a reptile survey.

In response, please find attached a reptile survey undertaken for this site.

Please also note, that I am aware of the request for further information from WSCC as Highway Authority – I confirm that this work is now in preparation and will be submitted to you shortly.

I trust that this is all acceptable and I look forward to discussing this with your further.

Kind Regards
