Kind Regards

I trust that this is all acceptable and I look forward to discussing this with your further.

Please also note, that I am aware of the request for further information from WSCC as Highway Authority – I confirm that this work is now in preparation and will be submitted to you shortly.

In response, please find attached a reptile survey undertaken for this site.

I have noted the feedback of consultees, including from Liz Rogers, the Environment Officer at Chichester DC. She has requested the undertaking of a reptile survey.

I write with reference to the above planning application which is currently being considered by your Authority.
