Hi Anita,

We have not received a re-con in relation to this app having just checked our system. I would therefore advise that as they are both related, my revised comments in relation to LU/349/17 would stand for LU/320/17, essentially the CMP can be applied to both applications and in my response on the 3rd November to LU/320/17 I advised we were waiting for more information, which we now have.

Is that sufficient for your report?

Jamie

Hi Jamie,

County Highways were re-consulted on this application on 22-12-2018 and a response is still outstanding. I note you had no objection to LU/349/17/DOC. Please can you let me have your comments in relation to this application as soon as possible?

Regards

Anita Gardner

Dear Anita

I write further to our emails and discussions regarding your Authorities consideration of the application for alterations to the practice range at Littlehampton Golf Club.

In light of the comments of WSCC in their email of 02nd November 2017, I now enclose a copy of the requested Construction Management Plan. I would be grateful if this could be added to the application pack for this proposal. I confirm that this document has been the subject of discussions between the writers (Motion) and WSCC.

For the sake of clarity, I confirm that this is the same CMP that has also been submitted as a revision to the CMP previously submitted in pursuance of the discharge of condition 3 of LU/208/17 for works to the bund and landscape enhancements at the Golf Course. This application is also currently with your Authority for determination under application ref LU/349/17.

I trust that this is all acceptable, but if you require anything further at this time, please do not hesitate to let me know.

Kind Regards

Dale Mayhew
