Dear Anita

Many thanks for your email and update, it is much appreciated.

I confirm for, and on behalf of my client, agreement to an extension of time for determination of the application up and including the 16th March 2018. This is to enable the application to be reported to the Planning Committee meeting on 14th March 2018.

I trust that this is acceptable, but if you need anything further at this time, please do let me know.

Kind Regards

Dale Mayhew

Dear Dale,

County Highways have now confirmed that they have no objection and I will be working on the application report this week to try and get the application onto the Development Control Committee on 14-03-2018. I would therefore appreciate your agreement to an extension of time on the application until 16-03-2018.

Regards

Anita Gardner

Dear Dale,

I have noticed today that County Highways have not yet responded to my consultation on this application, although the DOC application has now been determined. I will chase this up today and in the meantime would appreciate your agreement to a further extension of time until 25-02-2018 to facilitate the response

Regards

Dear Anita

Many thanks for your email.

I confirm agreement to an extension of time for the determination of the application up to, and including 26th January 2018, to enable reconsultation on the recently submitted CMP.

I trust that this is acceptable but please let me know if you need anything further at this stage.

Kind Regards

Dear Dale,

I acknowledge receipt of the substitute plans and have today re-consulted County Highways. Their target for a turnaround response is 3 weeks and with the Christmas break I doubt that a response will be received by 12-01-2018. Please can you therefore agree to a further extension of time until 26-01-2018?

Regards

Anita

Subject: LU/320/17/PL - Proposed alterations to practice ground at Littlehampton Golf Club

Dear Anita

I write further to our emails and discussions regarding your Authorities consideration of the application for alterations to the practice range at Littlehampton Golf Club.

In light of the comments of WSCC in their email of 02nd November 2017, I now enclose a copy of the requested Construction Management Plan. I would be grateful if this could be added to the application pack for this proposal. I confirm that this document has been the subject of discussions between the writers (Motion) and WSCC.

For the sake of clarity, I confirm that this is the same CMP that has also been submitted as a revision to the CMP previously submitted in pursuance of the discharge of condition 3 of LU/208/17 for works to the bund and landscape enhancements at the Golf Course. This application is also currently with your Authority for determination under application ref LU/349/17.

I trust that this is all acceptable, but if you require anything further at this time, please do not hesitate to let me know.

Kind Regards
