Dear Anita

I write in follow up to my previous email of early June, regarding the works to the practice ground at Littlehampton Golf Club.

I attach a further letter providing an update on the scheme, and trust that this is helpful.

Kind Regards

Dale Mayhew

Dear Anita

Alterations to Practice Ground at Littlehampton Golf Club, Rope Walk, Littlehampton
Local Planning Authority Reference: LU/320/17/PL

I write with respect to the works for alterations and improvements to the practice ground at Littlehampton Golf Club. This was granted planning permission in 2018 under application reference LU/320/17/PL.

I last wrote to you in early June to advise you that works in the implementation of the scheme were substantively completed, but that as a result of the unusually high rainfall over the winter period, remedial work was taking place over spring/summer 2020 to the approved practice ground area. This essentially comprised works to replace topsoil to enable re-seeding of the practice ground to take place.

I am advised that the firm undertaking the implementation of the scheme (Matthews (Sussex) Ltd) have now completed their work onsite. They will not be importing any further material into the practice ground.

I understand that the Golf Club will be undertake some final remedial works direct (eg reseeding etc).

I trust that this update is helpful, and would ask that, if there are any further queries relating to the works in the future, that you liaise direct with the Golf Club.

Yours sincerely

Dale Mayhew BA (Hons) BTP MRTPI
