Town & Country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission for Works or Extension to a Dwelling**

Development removing tiles to existing outside front and left side of bungalow and replacing with cladding see quotation from Square Deal attached to application
Location 12 White Horses Way Littlehampton

Thank you for your recent application which I received on 17th October 2019. It is being validated by Sian Eggington who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Elevations: Please submit proposed and existing scaled elevations with annotations to show the change in materials to the elevations. Please submit these at a standard scale such as 1:50 or 1:100

Location Plan: You are required to have a solid red outline around the proposed site on the location plan. Please amend.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: <http://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **14th November 2019** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely
