15th November 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of former United Services Club (Sui Generis) to 10 No. flats (C3 Dwelling House) with associated landscaping, parking, bins & recycling storage.

United Services Maltravers Road Littlehampton

Thank you for your internet comments made on 14th November 2017 which has been recorded as **'an objection'** with the comments as follows:

The Town Council's Planning and Transportation Committee considered this matter at their meeting on Monday 13th November 2017 and object to the application on the grounds of highways safety. Whilst supportive of the proposals, members questioned the County Council's reliance on the sustainability of the location in terms of local transport and amenities and considered it unsatisfactory that the proposals relied on the availability of on street parking to deal with the overspill of residential cars in relation to the development. The Committee sought clarification regarding the use of the existing garages located behind the United Services building and considered that there was potential to accommodate more parking provision for the development in this area and that this should be explored further. In addition, safety concerns were expressed regarding the proposed communal entrance for pedestrians to the building which would be shared with vehicles accessing the site.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do

not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
