Hi Anita,

No, sorry that's my mistake. We will not request a car parking condition.

Regards

Jamie

Dear Jamie,

I note that you have requested a condition relating to car parking. No car parking is included in the scheme and the neighbours have advised that the shared driveway cannot be used without their consent. Parking cannot be

accommodated on their land. A parking condition can't therefore be imposed. Would you object to the proposal without parking provision?

Regards

Anita Gardner
