Simon,

Many thanks for your email regarding the planning application at the Nelson Hotel, and the amount of detail you provided.

I am happy to say that I fully supported the scheme, and did so vocally at the Planning Committee meeting of the Town Council when it was put before us. Unfortunately, some other members of the Council were less supportive. From memory, this is why the no objection was caveated with the issues mentioned, as these were the main issues the objecting Councillors raised to the scheme.

From my perspective, I fully agree with you that this is a prime location for Littlehampton, and one that we should be ambitious for, and my view remains that the scheme you are proposing would achieve that. Whilst, of course, others are entitled to their own views, I will continue to express this, both now and in the future if necessary.

Thanks again for getting in touch.

Freddie
