Dear Mr Wood,

ARUN DISTRICT COUNCIL

28 OCT 2019

RECEIVED

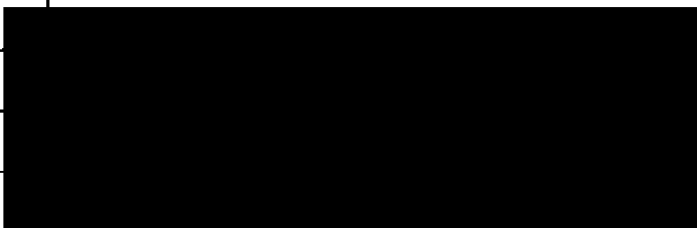

Re: 55 Balloch Road, Wick Littlehampton BN17 7EZ.

Further to your Reply to my Preliminary Enquiry
PAS/119/19 & our subsequent phone conversation regarding
my Revised proposal 19/4671/1 & dated 18.10.19, I now
submit Planning Application for the proposed first floor rear
extension in line with 19/4671/1A. Note the only
difference is vertical tile hanging in lieu of full brickwork
as discussed earlier this week.

As mentioned before, both adjacent neighbours of 53 & 57
have expressed their support to the applicant & would be
happy to confirm this in writing to you should you consider
it beneficial. Also I would reiterate that the proposal
is for the benefit of an adult family member who is disabled.

If you foresee any problems with registering or approving
this applicant's proposal, please contact me to discuss.

Many thanks for your help in this matter
