Dear Sir/Madam,

Re: Discharge of Condition No. 4 Consent Ref: LU/404/18/PL dated 13.02.2018
Extensions and Alterations / 2-6 High Street . Littlehampton.

In accordance with my client's instructions I enclose an application for the discharge of Condition 4 of the above consent.

Please find enclosed the following documents:

1. Three copies of the application form.
2. Application fee cheque in the sum of £116.00 for which I request your receipt.

An exchange of correspondence by the site agent Chris Bird of Thomas Newell Ltd with Roger Spencer at Arun suggests that a non-return valve is not required and therefore we will omit this unless at a future date Southern Water specifically require it.

Please be aware that we have sought but failed to obtain advice from Southern Water as suggested in Condition 4, despite emails and telephone calls. As this work is urgently required to be completed the decision has been taken to proceed with the sealed bolt down covers.

If any further information is required please let me know.
