Hi Rudi/Anita

Please find attached another sheet of elevations with the existing approval overlaid as requested by Anita. Also attached is the block plan with the existing approved position outlined in a thicker blue dashed line for clarity.

Hi Rudi,

I can't see an overview in blue.

Can you provide a comparative block plan so that the revised position is clear?

Is it only the North elevation which is affected by fenestration changes?

Thanks

Anita

Hi Rudi

Please find attached overlays of the approved GF plan and North Elevation on top of the proposed changes. The size and positional changes are shown on the drawing CND1_SK03 submitted with the approved shown in blue.

I have copied in Anita Gardner with this email for expediency.

Hi Rudi,

I have now received the plans. Can you provide an overlay of the existing approval over the proposed changes so that a comparison can more easily be made in relation to the increase in size and amended position? I will also need elevations detailing fenestration/ hatches changes.

Regards

Anita Gardner
