Dear Sir/Madam

Installation of Dry Cleaning, Key Cutting, Shoe & Watch Repairs Pod to front elevation.
Tesco Stores Ltd Broad Piece Littlehampton

Thank you for your internet representation made on 29th March 2015 which has been recorded as '**an objection**' with the comments as follows:

I am moving back to Littlehampton shortly & am definitely am against Tesco's planning application for a pod to be added to their already large establishment taking away more local business, when I left Littlehampton it was a thriving resort, the High Street was bustling, there were hardly any empty premises, now on my last visit in January, I find most of the High Street either empty or filling with charity shops. There used to be 2 picture houses, more than 12 public houses, clothing shops male & female, at least 2 shoe shops, a great toy shop, a fabulous post office in its own right, hardware stores, sweet shops, book shops, a bus & coach station, cafeterias, sadly now mostly all gone, what is going to be left in the town once Tesco have taken over??? My once beautiful town is turning into a ghost town... please please please dont allow this planning application to go through, for the sake of the town...

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
