Dear Sir

Reference RU/32/17/PK

SUNNY MEADE COURTWICK

I am writing to oppose
the building of 4
dwellings on these
grounds. 4 is too

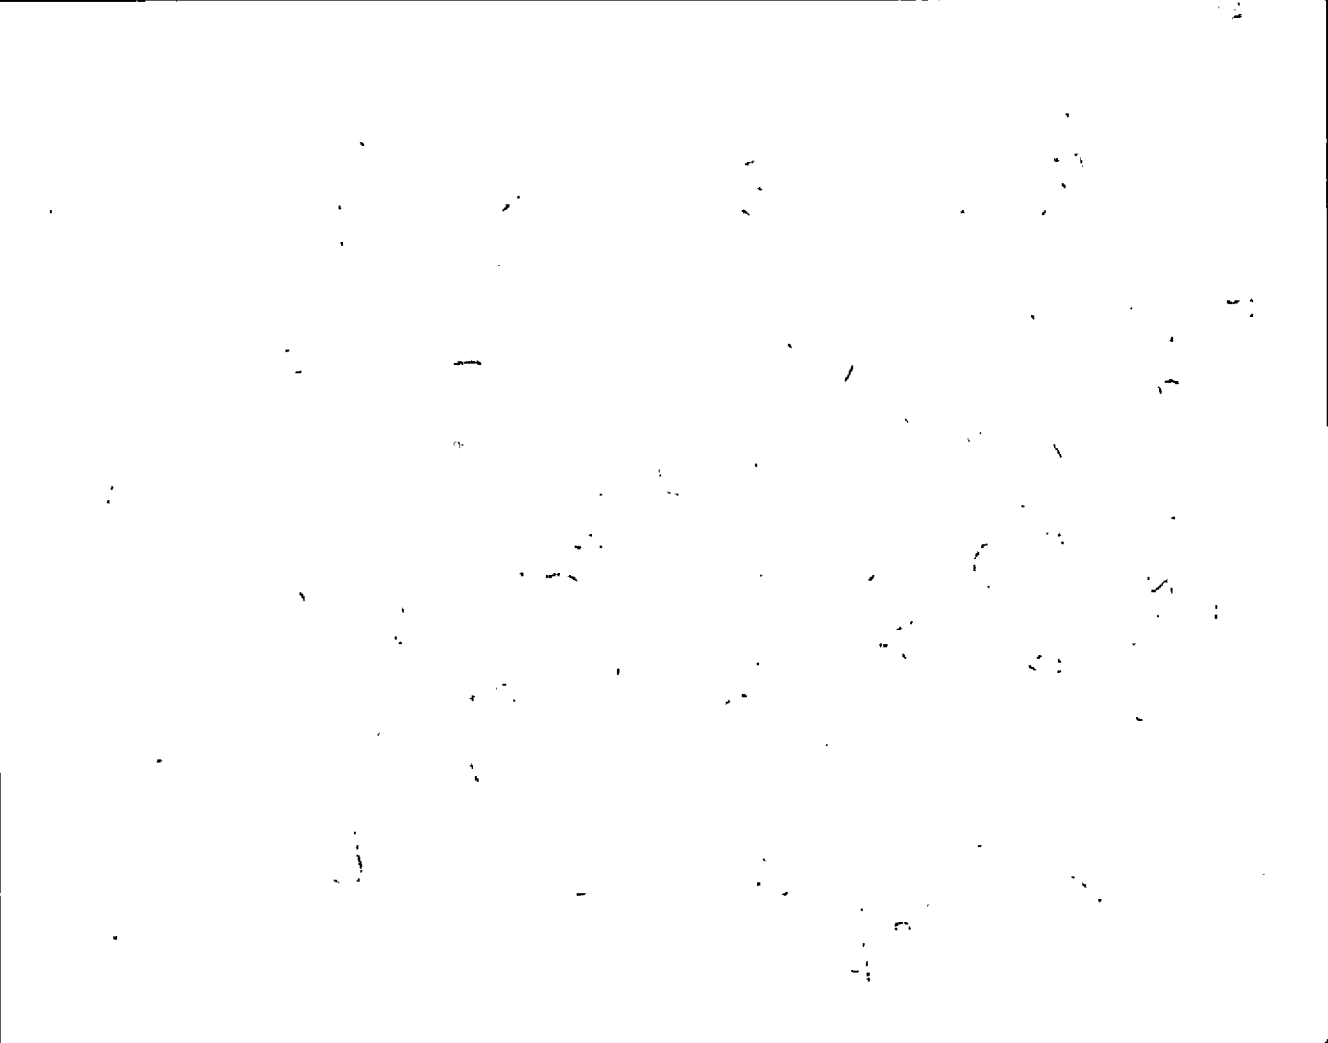

money for the ground
and they would over-
look and close in
any space we have.

The house already
in site is a jungle
and at the most there
should only be 2
box level jungles.

The road the 3
Terra houses would
overlook is near

narrow and parking
is already a night
mare after locking
my access out of
my drive, the road is
also the only exit
from the whole
estate the road
certainly cannot
support more cars
and houses living

it. The exit from
the estate to Court
Wick Lane is now
dangerous with cars
parked and lorries
turning. I can't see
how putting another
row of houses, with
most people having
two cars per house will
or more can be justified
→

the present bungalows
has been in
continuous occupation
for 20 years and is
not vacant.

4 dwelling is
too much.

Yours Sincerely
