Dear Mrs Gardner,

I wanted to take this opportunity to introduce myself as the Agent for the above application, which was validated earlier this week under reference LU/330/18/PL.

In addition to the document uploaded through the portal, please find attached the following documents to support the application:

- Remediation Strategy and Verification Plan (Ref: GE17106-RSVP-GE-NOV18)
- Arboricultural Impact Assessment and Method Statement (Ref: THA21635aia-amsB)
- Tree Protection Plan (Ref: THA21635-03A)

I have also updated the Document Issue sheet accordingly (previously appended to the application covering letter), for your reference.

I appreciate that this application has only just landed on your desk, so it is unlikely that you will have had chance to look through any of the associated information, however I look forward to hearing from in due course as you begin to receive responses from statutory consultees.

If you have any queries in the meantime, please do not hesitate to contact me.

Kind Regards,

Sarah
