Dear Anita,

I have today noticed a comment uploaded to your online portal referencing that no site notice has been displayed at the application site (attached for ease).

Please could you confirm whether this is a correct observation? If this is the case, as a matter of urgency please could you ensure that the notice is displayed as per the validation letter received by ADC on the 27th November 2018, to avoid any unnecessary further delays. I would also note that this comment has been registered as an objection to the scheme, however solely relates to the absence of the site notice.

In addition, please find attached a revised Remediation Method Statement (Ref: GE17106-RSVP-GE-NOV18 version 1.1), this supersedes the statement submitted on the 29th November 2018.

Kind Regards,

Sarah
