Dear Juan

As that takes the figure back to what it was originally going to be, I am happy with that change.

Dear Cllrs. Bennett & Thurston,

With regards to the s106 legal agreement that is being drawn up in this case it has today become apparent that the secondary school education contribution is £333,737 and **not** £268,677 as you were asked to agree at yesterdays Development Control Committee. In line with the Committees resolution that authority be delegated to the Group Head of Planning to make any subsequent minor amendment to the S106 Agreement, in consultation with yourselves, I would be grateful if you could confirm agreement with this change.

Regards
