

Hi Zac,

LU/331/19/A

I write in connection with the above mentioned application, which is due to be determined on the 18th December 2019.

I understand you spoke with our signage contractor, and would like to include a condition that limits the hours of illumination. We are happy with this principle and recommend the illumination is limited to between the hours of 06:00 and 19:00hrs.

We would also like to move the totem to the other side of the site, which we trust will be non-contentious. I attach a revised signage pack which shows the new location, which I would kindly ask is referenced on the decision notice when issued.

We look forward to receiving a satisfactory resolution to this application shortly. Please do not hesitate to make contact, should you wish to discuss this directly.

Kind regards,

James
