Dear Jon,

**Re: Ms Jadene Wallace, 1 Swanwick Walk, Manning Road,
Littlehampton**

This department is supporting the above person making a Disabled Facilities Grant application to the District Council as she would have been deemed registerable as a Disabled Person and their welfare arrangements would previously have been made under Section 29 (1) of the National Assistance Act 1948. This legislation has now been superseded by the Care Act 2014 which does not carry such registration.

It my understanding that planning fees may apply to some elements of the recommended Disabled facilities Grant funded building work and Planning but that the above person may be eligible to have these fees waived as she would have been registerable as a disabled person under the old legislation.

Please do not hesitate to contact me if you require clarification.

Yours sincerely
