LU/333/14/HH	9 Granville Road Littlehampton BN17 5JU	River

DESCRIPTION:

Proposed first floor extension, including new first floor side elevation window.

DECISION:

The Committee received a report and presentation on the matter from the District Council's Planning Officers. The Planning Officer stated that the Historic Building Advisor had raised an objection to the use of PVCu for the additional window. It was however noted that the window was not readily visible in the street scene and could be built as Permitted Development provided it was obscured glazed and fixed shut. The Committee therefore **RESOLVED** that:

The application be approved as detailed in the report.
