Dear Miss C Burrows

Re: Proposed First Floor Rear Extension, 9 Granville Road, Littlehampton

Thank you for your letter dated 3rd November.

Please find attached a copy of the amended plans which show the revised site plan.

I also attach a copy of the revised existing floor plans which show the dining room window. The attached revised proposed floor plans show the position of the proposed velux roof windows.

Attached is a copy of the floor risk assessment. Whilst an area of the plot is within Flood Risk Zone 2, the property itself is located outside the flood risk zone.

I hope that the application can now be registered and processed.

Many thanks
