David,

Sunny South for sure today!!! For real!!

I validated the ap yesterday as a variation of condition because that was the form submitted.

I will have to put the ap on hold for the correct application form. Once you have the correct ap form completed, can you email it to me?

Also, when you send the correct ap form you can also attach the list of amendments. I might as well have everything up front.

Andrew Wood, as far as I know, will be the case officer.

Hope this makes sense!!

Thanks
Daun

Hi Daun

Hope is well in the sunny south. It has been all good in the stormy north.

Just to clarify it is an NMA application.

I have attached the coloured site plan which the portal wouldn't allow as their is a combined 10mb limit. I can send through the list of amendments to the case officer when allocated. If you need it now please let me know.

If there is anything else please let me know.

Say Hi to TSU and former TSUs.

Good morning David!

Working on the variation of condition application that was submitted on 05/11/2019. In the section where you are to describe

the proposal you have put 'Non material amendment application to vary condition 1 of LU/201/16/RES...'.

Can you confirm if the application is to be an NMA or a variation of condition under LU/201/16/PL?

Hope all is well.

Thanks,
Daun
