Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: LU/333/21/HH  
Site Address: 2 Larkspur Close Littlehampton BN17 6WB  
Description of works: Two storey side extension, single storey rear extension and part conversion of garage to habitable use.

Thank you for your internet representation made on 17th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41955

Several reasons for objection:

- 1 This will have a big impact on surrounding properties, in particular 1 and 3 and also to a large extent number 4 - light, privacy being the main impact
- 2 Noise - this is a quiet close with many working from home. Building work will have a large impact on them. If work is done at weekends too (which i dont know if it will) that again will have for a considerable time an impact on the neighbouring properties and most of Larkspur Close
3. Parking - we are already struggling for parking in this close and with an extension of property potentially more cars as more people could live in the property.

Your views as made above will be considered before the application is determined.
