Dear Wayne,

I have now checked all consultation responses and the environmental health response is still outstanding. I have chased her today. I would accordingly appreciate your agreement to an extension of time on the application until 12-01-2018 to allow for her reply.

Dear Mr Gosden,

To date there have been no objections to the application. I am still awaiting some consultation responses so I would suggest that a decision is unlikely to be made for a couple of weeks.
