Statement of David Finnermore

In respect of an application for a Certificates of Lawful Use in relation to "Land used for Storage of Touring caravans and Motorhomes" at Littlehampton Marina, Ferry Road, Littlehampton, BN17 5DS

1. I, David Austin Finnermore, aged 64 years, am a director of Broomer Farm Trading Limited, the company owning the long leasehold in Littlehampton Marina, and the same company (formerly named Littlehampton Marina Limited) which has owned that interest since the lease was granted by Arun District Council in 1971.
2. My family acquired the entire shareholding in the company in October 1997. Since that date, in my position as managing director I have worked at Littlehampton Marina, where our offices are based. In that capacity, I have been actively involved in all aspects of the Marina business including that part of the site used for the storage of touring caravans and motorhomes and which forms the basis of this application.
3. The section of land that forms the basis of this application is used by the family partnership, and trades as Arun Self Storage. That has been the case since April 2010.
4. Attached to this Statement is a plan on which the boundaries of Littlehampton Marina are marked in blue. On the same plan the area of land used for touring caravan and motorhome storage is highlighted in red.
