Dear Mr Burton,

I write in connection to the above application.

After speaking to my Team Leader he has requested that I place an additional site notice to the rear of site. I had originally placed one to the front of site and one to the side on Norfolk Gardens, however as he has pointed out to me, the properties in Trinity Way may be unaware of the proposed development. I will be required to re advertise the application for an additional 21 day period, for which I need your agreement. I will be undertaking site visit tomorrow and therefore propose a new decision date of 7th January 2022.

I apologise that this mistake will now cause unwanted delay however it is important we give all neighbours the chance to comment on the application. Just to let you know, I'm currently recommending the application for approval so all being well you should get a positive decision early in the new year.

I would be grateful if you would confirm your acceptance of the new expiry date in writing by return.

Many thanks,

Kathryn Welch
