Subject: 46a-47b Pier Road Littlehampton - LU/336/20/DOC

Planning Application Reference: LU/336/20/DOC

Proposal: Approval of details reserved by condition imposed under LU/287/17/PL relating to Condition Nos 12 - materials and finishes and 18 - contamination

Address: 46a-47b Pier Road Littlehampton

Dear Anita,

Having read the submitted report entitled 'Phase II Geo Technical & Geo-Environmental Investigation' (Dated 24th March 2020), [produced by Land Science]; I will state that the EH department is satisfied with the document produced and submitted and therefore condition 18 – Contamination, can now be partially discharged.

The condition will be fully discharged upon approval of a Remediation Method Statement submitted to the Local Planning Authority to address sources of soil contamination identified in the Land Science report.

Thank you for your consultation,

Sincerely Craig

Craig Milligan
