Dear Brett,

The plans and details took time to be processed and the re-consultation was therefore delayed. I was on leave until 10-01-2022 so the plans were not passed through for processing until I was back and then it took 8 days, due to workloads for them to be processed once I returned. I apologise for the delay. The date is therefore just over 4 weeks from the date the details were processed.

Regards

Anita

Dear Anita

Thank you for your email.

I would be grateful if you could kindly explain why you are proposing a further EOT when the additional highways data was submitted on 4 January. By my calculations, your revised EOT date is 6 ½ weeks after the additional information was submitted.

Kind regards

Dear Brett,

The advertising date on the application was changed to cover the receipt of additional details and re-consultation with County Highways. This period now expires on 17-02-2022 which is beyond the determination date. On this basis please can you agree to an EOT on the application until 18-02-2022?

Dear Anita

The Stage 1 RSA and the response submitted has been reviewed and all seems to be fine.

Could it be submitted in a word format so that we can sign it off?

Regards

Roopa
