Dear Mr Eastham,

Application under Section 96A of the Town and Country Planning Act 1990 for alteration to approved Door Position on plot 121 at Phase 2, Land North of Toddington Lane, Littlehampton

Planning Portal Reference: PP-09335449

We hereby submit an application under Section 96A of the Town and Country Planning Act 1990 for alteration to approved door position on plot 121 at Phase 2, Land North of Toddington Lane, Littlehampton.

The approved drawings form part of this application and show the front door of plot 121 to be on the left hand side of the property. This application is being made to regularise a change on site which has the front door situated on the right hand side of the property. There are no other changes to what has previously been approved.

The minor alteration in fenestration is considered to be a non-material and does not have a materially detrimental effect on the character of the area nor materially changes the permission granted.

We look forward to receiving notification the application is registered within your normal timescales and to receiving a positive decision at the earliest opportunity.

Yours Sincerely

Neal MacGregor
