Hi Jonathan,

Thanks for coming back to me so promptly during your leave. Noted.

I see you will be on leave until 07/04/26 which means communications may be spotty. While I hope that our Legal Services team can resolve the S.106 matter promptly, could I agree with yourself an EoT until 17/04/26 to allow for the application to continue in time while this matter is resolved? With the upcoming bank holidays and having not yet heard back despite a chasing email last week, I am unclear how far along their review is. I will not action the EoT until 07/04/26 when it may be required.

Thank you,

Harry Chalk, MSc
